Of Interest to Sick People. there is no humor in pain and afflic to impress on others the suffering they endure. To get well or be re-lieved is their one thought, a remedy that will do this has their lasting gratitude. With medicines as with other things, the surest test of worth is the length of time they have the confidence of the people. The efficacy of S. S. S. has been thoroughly proven by experience, and so successful has it been that today it is the best known and most widely used blood remedy in the world. For diseases such as Rheumatism, Catarrh, Scrofula, Skin Diseases, Sores and Ulcers, Contagious Blood Poison, and other troubles due to an impure and poisoned condition of the blood, no rejudy acts so promptly and thoroughly as does S. S. S., and thousands throughout the country, cured of such diseases, are daily recommending it to others similarly afflicted. ITS FORTY YEARS OF EXISTENCE MAYE REEN FORTY YEARS OF CURES. S. S. S. is a blood purifier of the highest country, cured of such diseases, are daily recommending it to others similarly afflicted. ITS FORTY YEARS OF EXISTENCE HAVE BEEN FORTY YEARS OF CURES. S. S. S. is a blood purifier of the highest order, containing properties necessary to cure blood troubles of every character, and which make it the greatest of all tonics. It goes into the blood and drives out any and all impurities, and makes this stream of life strong and healthy, and when this is done disease cannot remain. Being made entirely from roots, herbs and barks, chosen for their healing, purifying and building up properties, it does not injure any of the delicate organs or tissues of the body as do those medicines which contain Potash, Mercury, Arsenicor other harmful minerals, but cures safely as well as permanently. S. S. S. reaches deep-seated and inherited cases on which the ordinary Sarsaparillas and tonics have no effect. It is no experiment to use S. S. S.; it is a remedy with a record; it has proven its worth and ability by its forty years of cures. If you need a blood remedy begin the use of S. S.; write us about your case and let our physicians advise you and send book on the blood; no charge for either.

Dyspepsia

Post-mortem statistics of the big New York hospitals show that many cases of consumption are due to the uninterrupted progress

of dyspepsia.

Especially is this true in cases where the victim was predisposed to tuberculosis.

Therefore the person who allows dyspeptic conditions to pro-gress unchecked is contributing toward the development of the most fatal disease known to man-

bargard and sallow. The thin, haggard and sallow. The stomach, unable to digest food, cannot supply nourishment. When other diseases come they enter unresisted.

L. P. Turner, 269 Howard Street, Detroit, Mich., says: "I have suffered from dys-

pepsia and indigestion for several years and it reached such a stage that I could hold nothing on my stomach, and immediately after eating the lightest foods, would eating the lightest foods, would be taken with a violent fit of vomiting. I tried a great many remedies, but nothing helped me until I procured a box of Rexall Dyspepsia Tablets, when I obtained instant relief. I am now able to eat heavy foods and I gladly recommend the Rexall Tablets to anyone suffering as I did."

anyone suffering as I did."

Don't take any chances. Cure your dyspepsia at once. Rexall Dyspepsia Tablets will do it. We know what they are and guarantee. them to restore health, strength and a good digestion. Twenty-five cents will buy a box big enough for a fifteen days' trial. Money back if you are anyway dissatisfied.

A REASON Revall Remedies are

not patent medicines.
They are not secret
formulas which gain
their sale only through the newspaper medi-um. We sell ten

the newspaper medium. We sell tentimes more non-advertised Rexall Remedies than we do of any one advertised product in our store. Would this be possible if each Rexall Remedy did not give satisfaction to the user?

We personally guarantee these preparations to do all that is claimed for them. Could we afford to take the chance of losing a customer, for we would lose him if we did not fulfill our agreements? Could we afford to have many people come back and get their money? No, frankly, we could not permit of any such transaction. It is up to the Rexall Remedies to do what we say they will dose financially by the transaction of guaranteeing you your money back if you are not satisfied.
